

Attention Mail Handlers Benefit Plan Members

**NO COPAYMENT
NO COINSURANCE
NO other lab-related fees
for covered routine lab tests
when you use Quest Diagnostics.**

Attention Physician

If you already use Quest Diagnostics for laboratory services

To help us accurately process your patient's claim, please verify that each test request form is completed with the following information from the patient's Mail Handlers Benefit Plan ID card.

- Identify "Mail Handlers Benefit Plan participant" on the request form
- 9-digit MHBP ID number
- Patient's name and address
- Enrollee's name and address (if other than patient)
- Patient's date of birth
- Patient's gender
- Diagnosis code(s)

Start saving today. No copayment, coinsurance or other lab-related fees.

Lab Saving Program laboratory provider, Quest Diagnostics, is the nation's leading provider of diagnostic testing, information and services. Our 33 full-service laboratory facilities and over 2,000 Patient Service Centers offer you the following benefits:

- An expanded network of conveniently located Patient Service Centers
- Fast, comprehensive results—a key to maintaining your good health
- The experience of a national laboratory; the convenience of a local lab

To take advantage of all the benefits Quest Diagnostics offers through the Lab Saving Program including lab tests with no copayments, no coinsurance and no lab-related fees, give the attached card to your physician or simply present your MHBP ID card. For complete details on our services, visit www.mhbp.com or call us today at 1-800-410-7778.

This is a summary of the features of the Mail Handlers Benefit Plan. All benefits are subject to the definitions, limitations and exclusions set forth in the official Plan brochure.

Attention Physician

If you do not use Quest Diagnostics for laboratory services

Simply call 1-866-529-8083 or visit the Quest Diagnostics web site (www.questdiagnostics.com). A Quest Diagnostics representative will gladly answer any questions about the nearest Patient Service Center locations or how to establish an account. Use Quest Diagnostics to help your office streamline its practices.

Thank you for your participation and your willingness to help your patients benefit.
