

Correction to 2010 MHBP Official Plan Brochure
Benefit Correction for Consumer Option (Christian Science practitioners)

Page 84 of the 2010 MHBP Official Plan Brochure has an incorrect reference for the Consumer Option benefit for services provided by Christian Science practitioners. The correct benefit information follows:

Benefits description	You pay After the calendar year deductible ...
Diagnostic and treatment services	
Christian Science practitioners	PPO: \$15 copayment per visit, including testing performed and billed in conjunction with the visit Non-PPO: 40% of the Plan's allowance and any difference between our allowance and the billed amount

We regret the error.
